

HLH Osmo Apps

	Words Edu	<p>Explore the land of Words, a magical place where characters challenge you to guess and spell the on-screen images. Play collaboratively or competitively with your real-life friends or our loveable characters!</p> <p>https://Playosmo.com/setup/words</p>
	Newton	<p>Solve creative physics puzzles by drawing lines or placing items in front of the screen.</p> <p>Works with any object or drawing – Mom’s keys, hand-drawn basket, even toys you already own. Simply place the object/drawing in front of the screen and manipulate it to guide the falling balls into the target zones.</p>
	Numbers Edu	<p>Add, count & multiply tiles to pop the number bubbles. Popping enough will free ¹¹fish & unleash a lightning storm! Learn to be the numbers master. https://Playosmo.com/setup/numbers</p>
	Costume Party	<p>Experiment with clothes and colors to make party outfits. Then watch characters react!</p> <p>Fosters spatial reasoning, creativity and fine motor skills, plus have a blast dressing characters for a party. Discover age-appropriate vocabulary related to color and emotions.</p>
	Tangram Edu	<p>Arrange puzzle pieces to match on-screen shapes. Play with a friend or challenge yourself to increasingly difficult levels as your handiwork lights up with each victory.</p> <p>Junior Level for younger players https://Playosmo.com/setup/tangram</p>
	Masterpieces	<p>Draw anything you want with Masterpiece. Take a picture, search the web, or use one of the images from our gallery. Then using the Osmo stand put a piece of paper in front of your iPad and begin drawing. When you're done you can save and share your creation.</p>
	Numbers Toybox	<p>The Osmo Numbers Toybox is a package of three different early math experiences designed especially for early learners! Using your existing Osmo iPad base, this digital-only extension is a great add-on to your Osmo system. Includes: Counting, Number recognition, Addition, Word problems, Number patterns & ordering, Fine-motor skills, Listening, Problem solving (Ages 4-6)</p>
	Stories	<p>In Stories, a little ingenuity goes a long way! Kids must use all their creativity, critical thinking and problem solving skills to mix ‘n’ match the perfect outfit. Depending on what they choose, they will get instant feedback, rewards, and encouragement to take the next step in the adventure!</p>
	Monster	<p>Bring your drawings to life! Each item you draw for Mo will be magically pulled into his world. Create animated adventures to share with family and friends.</p>
	Squiggle	<p>Create anything you want using sticks & rings and then watch them come alive! Develop cognitive, creative, social and emotional skills with our game pieces designed for little hands. Foster creativity and pre-drawing skills, through this fun-filled exploration.</p>
	ABCs	<p>Through this playful hands-on adventure with Mo the Monster, kids become confident about letter recognition, phonics, and vocabulary.</p>
